## TANGO ANNOUNCES APPOINTMENT OF NEW DIRECTOR

**VANCOUVER, BRITISH COLUMBIA — 2 March 2015 – Tango Mining Limited ("Tango" or the "Company") (TSXV:TGV)** is pleased to announce that Mr. Marco Möller has been appointed to the Board of Directors.

Mr. Möller has over 20 years' experience in the southern African mining, energy export, manufacturing and engineering sectors, which includes the CEO of African Star. He was also founder and Executive Managing Director of AFRICO Engineering and JOSS Steelworks and was group financial controller of Firestone Diamonds PLC, where he was part of the key management team responsible for developing various alluvial and kimberlitic assets from early exploration through to production status. Mr. Möller holds an MBA from the Graduate School of Business, University of Cape Town, South Africa and has completed the South African Institute of Chartered Accountants (SAICA) training program with PWC.

Terry L. Tucker, Executive Chairman of the Company, stated *"We are very pleased with the contribution Mr. Möller has made as the CEO to Tango since the acquisition of the African Star and welcome him as a valuable member of our Board"*.

### **About Tango Mining Limited**

Tango Mining Limited is a Canadian company that recently acquired African Star Minerals Group's ("ASM or African Star") operations in South Africa. Tango has four thermal coal, metallurgical and processing plant and engineering contracts that process 6.5 million tonnes per annum (19.5 million tonnes are contracted over next 3 years), with clientele that include Total (SA) and Glencore plc. The four projects are located within the Ogies and Highveld coalfields, Mpumalanga Province and Kliprivier coalfield, KwaZulu-Natal Province. The Company also holds a 100% interest in the Oena Project, a past producing alluvial diamond property, Northern Cape Province, South Africa and a 100% interest in the 2,088.8 ha El Santo Project, Nicaragua. The Company's vision is to become a diversified junior mining company with interests in precious and base metals, coal, diamond and precious stone mining projects
