TANGO ANNOUNCES CEO RESIGNATION

VANCOUVER, BRITISH COLUMBIA — 17 September 2015 – Tango Mining Limited ("Tango" or the "Company") (TSXV:TGV) reports the resignation of Mr. Marco Möller as President, Chief Executive Officer and Director, effective today, in order to pursue other business opportunities. In conjunction with such resignation, Mr. Möller has agreed to surrender 11,000,000 common shares of Tango issued in connection with the African Star acquisition (see news release dated 20 October 2014) to treasury for cancellation.

The Board of Tango has appointed a special committee of the Board that includes Mr. Antonio Ponte, Mr. Marc T. Bamber and Mr. Terry L. Tucker, P. Geo who will search for a new permanent Chief Executive Officer and work with management in reorganization efforts, including but not limited to the Company's South African mining and bulk sampling operations, financial reporting and fund raising efforts. Mr. Tucker will assume the duties of Chief Executive Officer of the Company in the interim.

Mr. Kevin Gallagher, who manages the operation of the four thermal coal, metallurgical and processing plant and engineering contracts, will with immediate effect manage and oversee the bulk sampling program at the Oena Project with the support of the Kwena Group team. Mr. Gallagher has over 40 years' experience in the mining and metallurgical process engineering industry and his operational experience includes 14 years as metallurgical supervisor at various coal, gold and platinum plants which includes Harmony Gold, Rand Mines Group & Rio Tinto.

About Tango Mining Limited

Tango Mining Limited is a Canadian company that primarily operates in southern Africa with four thermal coal, metallurgical and processing plant and engineering contracts that process 6.5 Mt per annum, with clientele that include Total (SA) and Glencore plc. The four projects are located within the Ogies and Highveld coalfields, Mpumalanga Province and Kliprivier coalfield, KwaZulu-Natal Province. The Company also holds an interest in the Oena Project, a producing alluvial diamond property, Northern Cape Province, South Africa. The Company's vision is to become a junior mining company with a focus on diamond mining and development projects.
